RELAUNCH

Silverspot Cinema relaunched Cleveland's only premier full-service dine-in theater in March 2020. With 10 theaters and a new chef-driven, scratch menu, the boutique theater caters to film lovers with an appetite, creating an immersive cinematic experience at Pinecrest, Cleveland's shopping, dining and living district. Pinecrest is where "East Meets Best" in Orange Village, Ohio.

DINE-IN SERVICE

Through the premium dine-in-theater service, guests can expect an immersive experience with a refined and modern American fare menu. In addition, the Silverspot Cinema bar and cocktail lounge features a modern, relaxed environment with seating for more than 190 guests.

Silverspot's new menu features refined and modern American cuisine, prepared fresh and presented tableside in the state-of-the-art theater. All menu items are made in-house daily by Silverspot's chefs and culinary team. Menu items range from starters and shareables, hand-crafted sandwiches and salads, delectable entrées, and scrumptious homemade desserts. To enjoy in theater dining, guests must arrive 30 minutes prior to showtime. Silverspot ends in theater dining service at showtime to minimize interruptions, providing the best cinematic experience.

PROGRAMMING

Among the unique offerings of Silverspot Cinema is its cultural programming. The company offers a range of cinematic viewing selections, which – in addition to Hollywood studio productions – include a cultural arts program featuring operas, ballets and concerts and other special events.

SILVERSPOT LOCATIONS

Silverspot Cinema thrives on expansion in order to deliver the most memorable movie-going experience. As of now, six locations are home to this experience. Orange Village, OH, Brookfield, WI, Chapel Hill, NC, Coconut Creek, FL, Downtown Miami, FL and Naples, FL.

Atlanta, GA and West Boca Raton, FL - COMING SOON

TECHNOLOGY

The ten auditoriums range in size from 36 to 128 seats. All include custom-designed plush seats that fully recline, and personal tables for in-theater dining. Silverspot offers state-of-the-art technology in all auditoriums, including Barco Laser Projection and Dolby Surround Sound Systems.
